

When the cable companies become decent as you say I would like them to also lower their rates as I will not be getting original programing. There fore I should not have to pay for it.

If you remember when cable first came out I was not suppose to Never get commercial advertising ,What happend there?

And further more if all I get is barney type shows I,ll take nothing first Give me a break. R. Smith LK. Hiawatha
(If tv offends people don"t watch that show,It's a no brainer!)
